

New Mexico 12th Medical Marijuana State

Tuesday, 03 April 2007

Last Updated Tuesday, 03 April 2007

Yippee! Yesterday Governor Bill Richardson signed the New Mexico medical marijuana bill into law. The westward creep of medical marijuana states is coming towards Texas. Eventually Texas legislators will see the light and start protecting its sick and vulnerable citizens who follow their doctors' advice to use medical marijuana. It's only a matter of time…...
